

Copyright for JICS

In order for your article to be published in *JICS* you grant the publisher, Stansted News, an exclusive licence to publish the article named below, on behalf of the Intensive Care Society, including the abstract in printed and electronic form, and to administer subsidiary rights agreements with third parties for the full period of copyright and all extensions. This applies to all material submitted for publication, and includes the text, figures, tables, author contact details and all supplementary material accompanying the article.

To be completed by the corresponding author for all contributions accepted for publication in the Journal of the Intensive Care Society (*JICS*). All authors should sign the copyright declaration below.

Title of contribution:

In consideration of the publication of my contribution in *JICS*, I hereby warrant that:

1. This article is the author(s)' original work, which has not been previously published elsewhere in whole or in part, in printed or electronic form, and is not being considered for publication elsewhere.
2. This article contains no violation of any existing copyright or other third party right or any material of an obscene, libellous or unlawful nature.
3. Permission for publication has been obtained for any illustrations, diagrams or other material included in the article of which the author(s) is not the copyright owner, and the source acknowledged.

This assignment shall be for the purposes and upon the terms that follow:

1. Stansted News Ltd shall have the exclusive rights to the present and/or future copyright throughout the world in any form and in any language (including without limitation transmission over the internet and other communications networks, and in any other electronic form).
2. The author retains his or her moral rights in the article including the right to be identified as the author whenever and wherever the article is published under the terms of the UK Copyright Designs and Patents Act 1988.
3. In assigning copyright to Stansted News Ltd, the author does not forfeit his or her rights to use the above contribution elsewhere. This, the author may do after obtaining permission (rarely withheld), provided that the journal is acknowledged as the original source.
4. All requests to reprint the contribution, in part or in whole (including figures, tables or illustrations) in another publication will be subject to the author's approval.

I hereby transfer and assign to Stansted News Ltd the copyright for the above contribution in consideration of publication in *JICS*:
